Give the learners an opportunity to retell the story to you. The learners must now answer these questions about the story verbally.

1. Wat is die karakter se naam?
2. Hoe oud is Marie?
3. Wat is Marie se gunstelingsport?
4. Noem twee aksies wat sy in netbal kan doen.
5. Op watter dag is Marie se wedstryd?

Learners must also listen to a simple story and then re-tell it in their own words. Read the following story to the learners:

My naam is Marie. Ek is agt jaar oud en in Graad 2. My gunstelingsport is netbal. Ek oefen netbal by my skool met my span. Ek kan spring en ek kan hardloop. My juffrou blaas die fluitjie as ek 'n fout maak. Ek speel Saterdag 'n netbalwedstryd. Ek hoop my span wen!
