## SOCIAL AND EMOTIONAL LEARNING (SEL) WORKSHOP: 3 Hrs. (5 CPD points)

---

*The 'what' and 'why' of SEL and how it can be integrated into all aspects of school life: curriculum, teaching practice, classroom management, sports coaching and therapeutic support.*

### **Apply to be a 'host school' and enjoy significant discounts!**

In order to host the E-Classroom SEL CPD Workshop, your school must be able to comply with the following requirements:

- The host school must commit 10 paid delegates in order to confirm the booking.
- Provide a venue that can accommodate up to 50 delegates with a PA system and data projector.
- Delegates will need to be seated at tables or desks.
- Provide tea/coffee/water for the delegates.

### **Discounted Package for host school**

For every 10 delegates the host school books and pays for to attend the workshop, they may send an additional 5 delegates free of charge. For example:

- 10 paid delegates + 5 free delegates = 15 delegates for R5000
- 20 paid delegates + 10 free delegates = 30 delegates for R10000
- 30 paid delegates + 15 free delegates = 45 delegates for R15000

The cost of resources still applies with the exception of schools that already have the resource.

As an additional optional bonus, The COOL TO BE ME Foundation will sponsor up to 5 delegates from an underprivileged school of the host school's choice, and at their discretion.

### **Book now!**
