

# Flower hand

Let's make a flower for Mother's Day. You will need: glue paste, a pair of safe scissors, a large sheet of white cardboard, corrugated board and colouring pencils.

## Instructions

1. Trace around your hand on the white cardboard with a colouring pencil.
2. Colour in the hands and cut them out.
3. Draw a leaf, colour it in and cut it out.
4. Cut a strip 300 x 50 mm from the corrugated cardboard.
5. Paste everything together using the image below as a guide.
6. Write a message to your mom.
