

Father's day craft

Let's make a hand cut-out face for Father's Day. You will need: a sheet of white card, glue paste, a pair of safe scissors, the template below and colouring pencils.

Instructions

1. Place your hand in the centre of the white card and draw an outline around your hand.
2. Cut out the eyes and tie from the template and glue them into the hand outline using the pictures below as a guide.
3. Draw the nose and mouth and write "Happy Father's Day".
