

# Spring craft bee

Name: \_\_\_\_\_

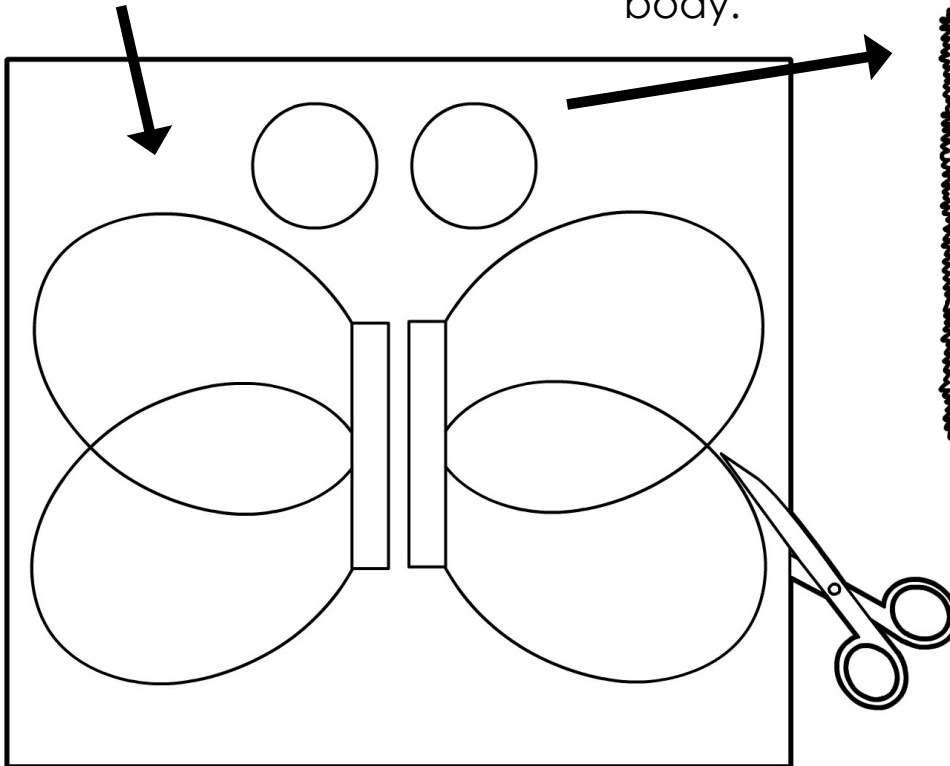

Celebrate spring by making a bee. To complete this craft, you will need: safe scissors, glue, BIC colouring pencils, an empty toilet roll, paper and two pipe cleaners.

1. Colour in paper for the body and paste it around the empty toilet roll.

2. Cut out the wings and feelers from the template.

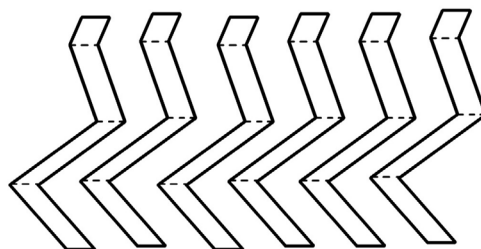

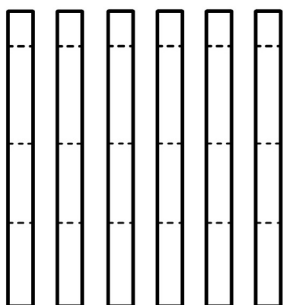

3. Colour in the feelers and paste them onto one end of the pipe cleaners. Paste the wings on top of the body.

3. Cut a circle that's slightly bigger than the end of the empty toilet roll and paste it onto one end. Attach the feelers to the top, the eyes on the face and draw a nose and mouth.

4. Colour and cut six legs for your bee.

5. Bend the legs as shown in the picture. Paste them onto the body.
