

# Spring craft caterpillar

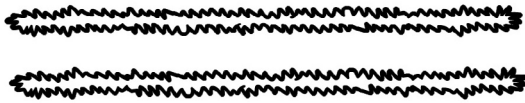

Name: \_\_\_\_\_

Celebrate spring by making a caterpillar. To complete this craft, you will need: safe scissors, glue, a thin wooden stick, BIC colouring pencils, some paper and two pipe cleaners.

1. Divide the length of an A4 sheet of paper in four and cut off a strip. Divide the strip into nine equal squares with a pencil.

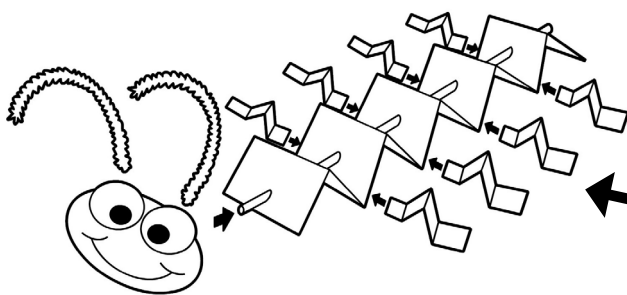

2. Cut out the face and eyes and paste the eyes onto the face.

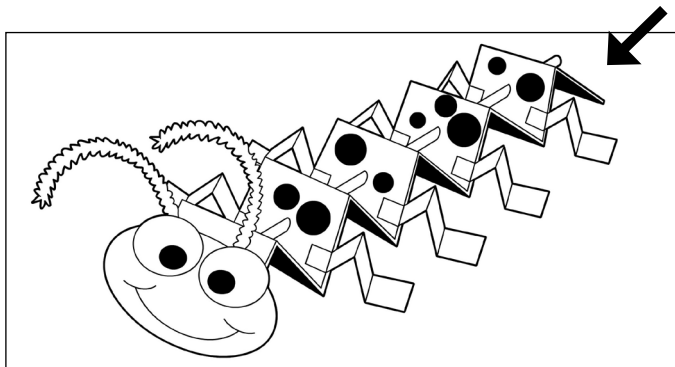

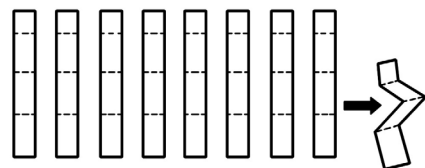

3. Paste the feelers onto the back of the head.

4. Decorate the paper strip and fold it as shown in the picture.

5. Cut another piece of paper into eight short strips for the legs. Bend the legs and paste to the body as shown.

6. Insert the wooden stick through the paper and paste onto the body as shown.
