

International Fund for Animal Welfare

[Become an IFAW Animal Ambassador](#)

IFAW’s mission is to rescue and protect animals around the world. Our vision is a world where animals are respected and protected and we promise supporters and policy makers effective animal protection solutions delivered with intelligence, compassion and integrity.

We are searching for 10 x Grade 6 learners who have compassion and respect for animals and want to make sure that they are protected, now and in the future. Each ambassador will be required to download the IFAW educational content from www.e-classroom.co.za and distribute it to your school, friends and communities. For each feedback form IFAW receives, the ambassadors will earn points for their school and themselves. At the end of the year, the points will be converted to cash (for their school) and vouchers (for the ambassador) to spend at their favourite store.

If you are passionate about protecting animals and want to become an IFAW ambassador, complete the application form and email it back to: lhaylett@ifaw.org
